

## WHAT HAIRSCAPE IS DOING FOR YOUR SAFETY

- We have studied the provincial guidelines and have ensured that not only we meet the standards but also exceeded them wherever we could to enhance the safety of our clientele and our workers while delivering a relaxing and pleasurable visit at our establishment.
- We have completely sanitized the establishment, all our furniture, equipment, tools and supplies before re-opening and will do a full sanitization routine of the workstation, furniture, tools and implements between each client to ensure that safety of each and every one.

- We have installed signage to remind everyone of the new rules and safety standards at our front door, our reception desk, the washroom, staff room, backbar and anywhere appropriate
- We will ask each worker and each client to answer the Safe Visit Protocol Questionnaire every day for worker and at every visit for client.
- Each worker will only service one client at a time; please note that client must come alone (no escort, spouse, friend, kids, pets).
- Please arrive to your appointment timely (no more than 10 minutes early) note that we may ask you to wait outside if our establishment is still at full capacity and that our waiting area is currently closed. Our coat check will be unavailable; please bring a large shopping bag where you can deposit all your belongings and keep them safe from contact with other guests clothing.

- Upon arrival, please use hand disinfecting gel and that you wear a mask for the duration of your visit. (if you don't have a mask; we can supply you one at a minimal cost). You may opt to wear gloves if you want; note that we are not able to supply them as they are hard to find, and we must reserve our stock for our team.

- Note also that our refreshment services and that all magazines and shared tablets have been temporarily removed for your safety.

**TO RESPECT SOCIAL DISTANCING RESTRICTIONS  
AND EXTENDED SANITATIONS GUIDELINES.**

Hairscape

## WE HAVE TAKEN THE FOLLOWING MEASURES

- We have installed sneeze guards at the reception desk
- We have hand disinfecting gel at the reception desk and at every station, anti-bacterial hand soap at all our handwashing stations and in the restrooms with single use paper towels.
- All our team is always going to wear masks ALL DAY and may wear gloves, face shields, protective goggles for some services.
- Each guest will be asked to wear a single use cape and a mask for the duration of their visit.
- To respect the capacity limit established by the authorities our establishment capacity will be capped at all time at 5 guests.

- For your protection and relaxation; the hair wash stations will be conversation free.
- Our retail area is fully operational, please ask for assistance; our team will prepare you retail order for you and have it ready for pick-up as you leave our premises.
